Thumbuddy You (Thumbuddy Book Series, Volume 1) Mark Arens

Meet Thumbuddy in Thumbuddy You, the first book in the Thumbuddy children's book series! Thumbuddy, an endearing thumbprint character, will entertain children as parents read the positive words that strengthen children and build self-worth. The interactive text has a fun rhythm which highlights a wonderful quality about Thumbuddy on each page and then reflects that quality on the child. Children will be encouraged as they learn that they are lovable, special, huggable, beautiful, gentle, incredible and a miracle. Written for toddlers and preschoolers, the colorful movement of watercolor illustrations and brief text perfectly captures the young child's attention. A "hidden" butterfly creates a fun "find the butterfly game" on every page. A "hidden" word within each illustration describes a precious aspect of the child as the text affirms the positive messages. The Thumbuddy book series created by ThumbPeople has been praised by child development experts for its value and effectiveness in building self confidence in children while strengthening the parent and child bond.
