Thunderball (James Bond - Extended Series Book 9) Ian Fleming

Upon M's insistence, James Bond takes a two-week respite in a secluded natural health spa. But amid the bland teas, tasteless yogurts, and the spine stretcher the guests lovingly call "The Rack," Bond stumbles onto the trail of a lethal man with ties to a new secret organization called SPECTRE. When SPECTRE hijacks two A-bombs, a frantic global search for the weapons ensues, and M's hunch that the plane containing the bombs will make a clean drop into the ocean sends Bond to the Bahamas to investigate.

On the island paradise, 007 finds a wealthy pleasure seeker's treasure hunt and meets Domino Vitali, the gorgeous mistress of Emilio Largo, otherwise known as SPECTRE's Number 1. But as powerful as Number 1 is, he works for someone else: Ernst Stavro Blofeld, a peculiar man with a deadly creative mind.

The ninth novel in Ian Fleming's James Bond series, *Thunderball* marks the beginnings of one of the most iconic villains in history, and the only match for the wits of James Bond.

The text in this edition has been restored by the Fleming family company Ian Fleming Publications, to reflect the work as it was originally published.
