A Bilingual Concordance to the Targum of the Prophets: Kings (I) (Bilingual Concordance to the Targum of the Prophets)

This work, part of a 21-volume set that provides a bilingual concordance to the "Targum of the Prophets", covers "1 & 2 Samuel". The bilingual (Aramaic-Hebrew) concordance is the product of an international project based in the Theological University, Kampen and supported by the Netherlands Organization for Scientific Research (NWO). The aim was to provide a research tool for those engaged in research in Biblical and Jewish studies. Quotations from the Targum and the Masoretic Hebrew text of the Bible are set out in parallel so that the user can study the translation technique of the Targum in detail. For comparative purposes the concordance is published per book of the Prophets. Eventually a complete concordance will become available in electronic form. The concordance makes a wealth of largely unknown material accessible to researchers. The discovery of the presumed-lost "Song of the Lamb" (referred to in Revelations 15:3) by members of the editorial team illustrates the importance of such a concordance to both Judaic and New Testament studies. It should also be of use in the textual criticism and the history of interpretation. To facilitate consultation on the basis of the Hebrew, every concordance per book contains a Hebrew-Aramaic index. The final volume will contain a cumulative Hebrew-Aramaic index.
