## **A.A. Milne: The Man Behind Winnie-the-Pooh** Ann Thwaite

A.A. Milne is one of the most successful English writers ever. His heart-warming creations—Winnie-the-Pooh, Christopher Robin, Eeyore, Tigger and Piglet—have become some of the best-loved children’s characters of all time, and readers the world over are familiar with the stories from the Hundred Acre Wood. Yet the man himself has remained an enigma. Although in many ways his behaviour was that of a typical golf-playing, pipe-smoking Englishman, Milne refused to be typecast, and his publishers despaired when he turned from writing popular columns for *Punch* to writing detective stories. They complained again when the detective writer presented them with a set of children’s verse, but when *When We Were Very Young* became one of the best-selling books of all time, Milne’s credibility as one of the world’s favorite authors was sealed.
