This booklet, like a drop of water in the ocean, is but a tiny segment in comparison with Haitian Vodou. Vodou is vast, wondrous and totally diverse. The Lwa are glorious Beings whose capacities to love and care for us are enormous. The Lwa walk with us and through faith and service relationships of great Force (power) develop with them. It is this desire to know the Lwa that brings us to the Cross-Roads and Papa Legba who opens the Gate for us. Once on the other side we find ourselves standing at the Great Cosmic Mirror. Here, in a dimension where everything is possible, we sing, dance and converse with Angels.
