An earthquake didn't break them. Old demons only tested and deepened their commitment. Even a toddler couldn't tear them apart. Now Anna and Lily Kaklis have decided on a new adventure: adding to their family.

As usual, the timing couldn't be better. Lily's only involved in the most important case of her career, and Anna struggles every day to keep her auto empire intact. It'll be easy to fit in trips to the fertility clinic, right?

What Anna knows is she's no longer afraid of parenting and little Andy, Lily's nephew, deserves siblings. But when Lily's pregnancy faces complications, it's all new territory for all three of them, testing their understanding of love in brand new ways.

In this fourth book of the award-winning Shaken Series, Lambda Literary Award winner KG MacGregor continues the compelling tale of two women who discover that real love has no limitations.
