However, unlike the other study: “Jesus Christ, The World Wide Wounded Wanderer,” which explores evidences from other nations’ writings, etc., that shows Jesus went around the world. This book centers on Christmas traditions, legends, customs, writings & art works. It traces the later myths back through the centuries to the early Christian doctrines. Did Christ go to into Russia? Germany? England? The Americas? The islands of the seas? What about Kriss Kringle, Christkindl, or Christkind? Plus other gift bearers & the different guises Christ wanders the world as?
