Urges: The Complete Series Sky Corgan

Available together for the first time ever—the complete Urges Series. Parts One, Two and Three. Part One: Fennel Riegel was looking for a good time. After losing her job and winding up having to move back home, all she wanted was a night to forget herself in the arms of a random hookup. Someone had other plans for her though. When the night goes awry, Fennel finds herself more stressed out than she was before. Trent Stevens is both the man of Fennel's dreams and her nightmares. He swooped in to rescue her from herself and then disappeared without a trace, leaving Fennel confused and mentally scarred. When he resurfaces to save the day again, she can't figure out if he's good or bad. All she knows is that there's a darkness about him that intrigues her. Part Two: Trent Stevens has Fennel so turned around that she doesn't know whether she's coming or going. An unexpected tryst in his office has her questioning if their relationship has turned from professional to personal. When he starts giving her the cold shoulder, it quickly becomes apparent that things aren't what they seem. He plays a dangerous game of push and pull with both her emotions and her body. While he tells her to stay away, his actions speak the opposite. Fennel's too intrigued to give up on Trent. There's a dark sexiness about him that she's yearned to experience. But when he finally lets her in, what he shows her is far beyond anything she could have imagined. Part Three: A tumultuous love affair with her boss has left Fennel Riegel feeling completely destroyed. All she wants to do is get away from the man who threw her trust back into her face. Getting away from him is easier said than done though when he seems to be on the hot pursuit. After finding a new job and settling into a place of her own, Fennel thought that life was finally returning to normal. Trent Stevens has other plans though. He's going to follow Fennel to the ends of the earth and do whatever it takes to get her back, including disclosing his darkest secrets.
