A Victor's Heart: Picking Up the Pieces of Your Shattered Dreams (Volume 2) Cassandra L. Williams
Everyone has a story of what led them to this moment in time. These events normally fall into three categories—childhood trauma, bad choices and divine leading. Whatever the case, the human spirit, much like water, is very resilient. Although it runs into obstacles, it perseveres to become something beautiful. When the dust settles, the storms cease, and the fire subsides, you are left with your authentic self, no fillers or manmade attachments—just the person God created you to be. A victor's heart provides practical guidance you can use to begin moving from where you are in life to where you want to be. If you let Him, God wants to help you pick up the pieces of your shattered dreams.
