Sandra Moyer's preschool is struggling, so when her sister suggests allowing a super-famous actor to research his latest role there, she reluctantly agrees. Except the actor turns out to be Ben Capshaw-a playboy who's never serious, always joking around, and who knows zero about kids or being a parent. Case in point: his involvement in the untimely death of the preschool's class pet... Ben is enjoying teaching more than he thought he would, but that doesn't mean he's looking for a permanent position. Sure, he's ready for more serious movie roles and less goofing off, but the buttoned-up, beautiful Sandra and her young daughter are more than he bargained for. Plus, Sandra still won't trust him-what if it's all an act, research for the role? As the lines between make-believe and reality blur, Ben will have to decide if love is worth casting aside the role of his life for a new role...that could last a lifetime.
