Let's Do Nothing! Tony Fucile

Don't move! A master of animation explores the elusive art of doing nothing in this comical tale of two very active imaginations.

Frankie and Sal have already played every sport and board game invented, baked and eaten batches of cookies, and painted a zillion pictures. What's left to do? Nothing! Ten seconds of nothing! Can they do it? Can they act like stone statues in the park? Can they simply hold their breath and not blink an eye? With a wink to the reader and a command of visual humor, feature film animator Tony Fucile demonstrates the Zen-like art of doing nothing...oops! Couldn't do it!
