Paladins of the Storm Lord Barbara Ann Wright

Surrounded by dead crewmates, marooned above an unknown planet, the bridge crew of the Atlas awakens from a crash with extraordinary mental abilities. When their most powerful member jettisons their passengers to the planet below, they have an unprecedented opportunity: they can become gods. Two hundred years later, Lieutenant Cordelia Ross is a paladin serving the Storm Lord, her city's patron deity. Her faith is absolute until her people are attacked by a native species, harmless creatures turned devious by an unknown hand. Cordelia tries to solve the mystery of their development before they kill anyone else, but the secrets surrounding them are too deep. As orders from the Storm Lord begin to value obedience over integrity, Cordelia wonders whose side her god is really on.
