Creating A Catechetical Plan: A How-to-Do-It Resource Robert A. Duggan

The National Directory for Catechesis calls for every local community to have in place a catechetical plan that embodies the prophetic vision of faith-formation contained in the NDC and other recent documents of the Magisterium. It is one thing to call for a comprehensive, strategic approach to catechesis in official documents and quite another to develop it on every level. The author, with many years experience as a pastor of a busy suburban parish, sets out the practical steps toward shaping a catechetical plan for dioceses, parishes and schools.
