## **Element, Part 1 (The Natalie Vega Saga) CM Doporto**

College freshman, Natalie Vega, offers to be a test patient for several vitamins and supplements created by Kronberg Laboratories, a large pharmaceutical company where she interns. Immediately her body starts going through physical changes but when she runs into her former high school crush, Ryan Garrett, she is unaware of the life altering affects he will have on her. Will Natalie be able to handle her supernatural/superhero changes?

Recommended Age: 16 and up

### From reader reviews:

#### **Irene Justice:**

In this 21st millennium, people become competitive in every way. By being competitive at this point, people have to do something to make all of them survive, being in the middle of the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive improves then having a chance to endure than other is high. For you personally who want to start reading some sort of book, we give you this Element, Part 1 (The Natalie Vega Saga) book as a nice and daily reading guide. Why, because this book is usually more than just a book.

#### **Matthew Fry:**

Information is a provision for anyone to get a better life, information nowadays can be gotten by anyone with everywhere. The information can be a knowledge or any news even a problem. What people must consider any time those information which is inside former life are difficult to be found than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Element, Part 1 (The Natalie Vega Saga) as the daily resource information.

#### **Joseph Levis:**

Many people spend their time period by playing outside with friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book will surely be hard because you have to take the book everywhere? It's fine you can have the e-book, bringing everywhere you want in your Smartphone. Like Element, Part 1 (The Natalie Vega Saga) which is having the e-book version. So, try out this book? Let's see.

#### **Suzanne Palmer:**

A number of people said that they feel bored when they read a publication. They are directly felt it when they get a half of the book. You can choose often the book Element, Part 1 (The Natalie Vega Saga) to make your current reading is interesting. Your own skill of reading talent is developing when you such as reading. Try to choose very simple book to make you enjoy to see it and mingle the feeling about book and reading through especially. It is to be 1st opinion for you to like to start a book and learn it. Beside that the e-book Element, Part 1 (The Natalie Vega Saga) can be your new friend when you're truly feel alone and confuse using what must you're doing of the time.
