In the Shadow of Winter

Lorna Gray

In the Shadow of Winter Lorna Gray

‘Absorbing and chilling, yet tempered with echoes of a lost romance...this story is one of the best I've read this year for its imagery and originality.’ – Jane Hunt Reviews

Set in the bleak winter of 1947, this compelling drama is a must read for fans of the poignant and nostalgic storytelling of Leah Fleming & Lucinda Riley.

The Cotswolds, 1947

A relentless winter holds post-war Britain in its deadly grip, and Eleanor Phillips rides out from her beleaguered Cotswold farm to rescue a stranger lost in the storm. But the near-dead man is no stranger and when she recognises Matthew Croft, the old ties of a failed romance tug deeply. Her sweetheart has returned from the war.

Suspicion, the police and the panicked flight of a desperate man beat a path to her door. With a wanted man hidden in her home and stealing back into her heart, Eleanor must be on her guard – for the net is closing in on them both and enemies are all around...
