As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this
