A drunken promise of betrothal has turned Thor's family against him. Will Thor earn Pia's forgiveness and find their runaway children in time for Christmas?

After a night of cards and drinking, Thor's splitting headache is the least of his worries. When a messenger arrives with a contract for him to sign, his wife, Pia, discovers he's agreed to betroth their son to the Earl of Devon's daughter. Pia's beyond furious and demands he fix it - or else. After overhearing the argument between their parents, the twins, Liam and Lily, decide to run away in protest of the contract. Thor and Pia set out to find their rebellious children before something dreadful happens to them. Will Thor convince Pia to forgive him and find the twins before Christmas, or will their family fall apart forever?
