For the Heaven-bound Christian Who Is Currently Going Through Hell This book is rated NSFWC - Not Safe for Wussy Christians. Do you feel like you're being Kentucky fried by the trials of life? Do you feel like God, Satan, people, and animals secretly loathe you? If you answered yes to either or both of these questions, you're in good company. Some of the most powerful and amazing folks that God has ever used went through prolonged periods of internal and external crud that reeked worse than a sun-dried manatee carcass. And get this: they actually grew - even prospered - through their pain. Yep, they didn't blame God or man, become atheists, start smoking crack, or become bi-curious during their college years just because things didn't go their way. No, they cowboyed up, saw their trials as a gift, embraced whatever discipline God had for them, exercised their faith when under fire and, through it all, became holy winners, not haggard whiners. If you don't feel geared up for difficult times or you are currently being tossed around by life's junk, this book, *If You're Going Through Hell, Keep Going!*, written by the zany TownHall.com columnist, minister, and talk show host, Doug Giles, will prep you to plow through life's thick fog via the principles of God. Get ready to learn, laugh, become offended (possibly), and thoroughly equipped to milk the bad in life for all of its good.
