JOURNEY TO NOWHERE: A SPIRITUAL COMEDY Munish Markan

Prof. Android is an Enlightened Master who has come down from the Himalayan heights to share the timeless wisdom with the modern man. His student Rishi Anand becomes the medium for sharing those ancient Sutras in a very simple and easily digestible manner. Rishi has three friends who act as cosmic jokers whose only creed is laughter and they have nothing to do with anything smelling spiritual. Their interaction with each other provides the fertile ground for humor to sprout naturally and spontaneously in the thick of daily life.

Rishi learns and shares the Art of living a life of lasting peace, joy, happiness and fulfillment amidst the cosmic drama unfolding around him. He symbolizes the quest of modern youth to get answers to those fundamental questions which bother each intelligent and well educated individual. Whether he is able to get The Secret which Prof. has come to share or not? What are the difficulties faced by him in getting to the core of the message of the Master?

The story unravels the deep psychological currents which flow unbridled in the deep recesses of our minds and trouble us day and night. And of course, it shows the way to tame that powerful energy and channelize it in constructive channels which gives meaning to our life.
