**Terry Jones' Barbarians** Terry Jones, Alan Ereira

*Terry Jones' Barbarians* takes a completely fresh approach to Roman history. This is the story of the Roman Empire as seen by the Britons, Gauls, Germans, Hellenes, Persians, and Africans. In place of the propaganda pushed on us by the Romans, we'll see these people as they really were. The Vandals didn't vandalize—the Romans did. The Goths didn't sack Rome—the Romans did. Traversing the landscape of the Roman Empire, Terry Jones brings wit, irreverence, and the very latest scholarship to transform a history that seemed well past its sell-date.
