The Isle of Youth: Stories

Laura van den Berg

The Isle of Youth: Stories Laura van den Berg

Laura van den Berg's gorgeous new book, *The Isle of Youth*, explores the lives of women mired in secrecy and deception. From a newlywed caught in an inscrutable marriage, to private eyes working a baffling case in South Florida, to a teenager who assists her magician mother and steals from the audience, the characters in these bewitching stories are at once vulnerable and dangerous, bighearted and ruthless, and they will do what it takes to survive.

Each tale is spun with elegant urgency, and the reader grows attached to the marginalized young women in these stories?women grappling with the choices they've made and searching for the clues to unlock their inner worlds. This is the work of a fearless writer whose stories feel both magical and mystical, earning her the title of "sorceress" from her readers. Be prepared to fall under her spell.

An NPR Best Book of 2013

From reader reviews:

John McKeever:

What do you think about book? It is just for students since they're still students or this for all people in the world, what best subject for that? Just you can be answered for that query above. Every person has distinct personality and hobby per other. Don't to be pressured someone or something that they don't wish do that. You must know how great in addition to important the book The Isle of Youth: Stories. All type of book are you able to see on many solutions. You can look for the internet methods or other social media.

Joe Garner:

Book is to be different for each grade. Book for children till adult are different content. To be sure that book is very important normally. The book The Isle of Youth: Stories seemed to be making you to know about other understanding and of course you can take more information. It is quite advantages for you. The book The Isle of Youth: Stories is not only giving you more new information but also to become your friend when you feel bored. You can spend your current spend time to read your publication. Try to make relationship with the book The Isle of Youth: Stories. You never really feel lose out for everything if you read some books.

Christopher Suttle:

As people who live in often the modest era should be upgrade about what going on or information even knowledge to make them keep up with the era which is always change and progress. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which you should start with. This The Isle of Youth: Stories is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Margaret James:

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Many author can inspire their particular reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this The Isle of Youth: Stories.
