**Diamonds are a girl's best friends unless the carat is dangled...**

When twenty-seven year old, Hilary, meets perfect on paper, Marc, she thinks she has finally found the man of her dreams. He's everything she is looking for - handsome, successful, funny, and has a gorgeous home on the beach. Marc immediately sweeps Hilary off her feet. She is positive her single days of dating duds are over and her happy ever after is right around the corner....

**Well, when something seems too good to be true it usually is!**

Hilary quickly finds out Marc has one big problem - he is beyond afraid of commitment! She is willing to take things slow, but after four long years, some days their relationship seems to be going in reverse...

Tired of waiting for Marc to come to his senses, while on vacation, the couple's friends decide to take matters into their own hands and throw a surprise "engagement" party. Will this be the kick Marc needs to pop the question or will their meddling destroy the couple?

In this chick lit memoir, Hilary Grossman digs deep as she explores the good, the bad, and the frustrating of dating and relationships. Dangled Carat is the perfect lighthearted, laugh-out-loud, relatable book for every girl who wondered if she should love him or dump him.
