Head Above Water

Amber Garza

Head Above Water Amber Garza

Sometimes all you need is someone to hold you up. Harper Elliott knows what it feels like to drown. To be unable to breath, to feel the crushing weight of your lungs collapsing while waves crash over your head and the surface is just out of reach. The ocean has stolen way too much from her and her family. Even though she lives just miles from the beach she rarely ever steps foot on it, and never goes in the water. Until she meets Tag Williams, the sexy lifeguard with the funny name, kind smile, genuine eyes and smoking hot body. He makes Harper want to do more than just stick her toes in to test the waters. He makes her want to jump in with both feet. But if she does, can she trust Tag to keep her head above water?

From reader reviews:

Clementine Frazier:

As people who live in the actual modest era should be revise about what going on or facts even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to you actually is you don't know what kind you should start with. This Head Above Water is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Diana Elliott:

This Head Above Water are generally reliable for you who want to become a successful person, why. The main reason of this Head Above Water can be one of many great books you must have is giving you more than just simple studying food but feed you actually with information that maybe will shock your prior knowledge. This book will be handy, you can bring it everywhere and whenever your conditions both in e-book and printed types. Beside that this Head Above Water forcing you to have an enormous of experience like rich vocabulary, giving you trial of critical thinking that we understand it useful in your day task. So , let's have it and revel in reading.

Christopher Morton:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are having problem with the book than can satisfy your small amount of time to read it because all of this time you only find guide that need more time to be study. Head Above Water can be your answer mainly because it can be read by anyone who have those short extra time problems.

Richard Dike:

This Head Above Water is completely new way for you who has intense curiosity to look for some information as it relief your hunger info. Getting deeper you onto it getting knowledge more you know or you who still having little bit of digest in reading this Head Above Water can be the light food for you personally because the information inside this book is easy to get through anyone. These books build itself in the form that is certainly reachable by anyone, that's why I mean in the e-book type. People who think that in book form make them feel sleepy even dizzy this guide is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the item! Just read this e-book type for your better life and knowledge.
