Inspirations of the Heart 25: Dealing with Faith (Volume 25) Dr Ollie B Fobbs Jr

Inspirations of the Heart, is now a different kind of series, it now includes, Inspirations of the heart Special editions, and the Bonus Editions, I am excited yet still about these series because, it is the longest running series that I have. Inspirations of the Heart was designed because of the failing of life that i had going on many years ago, I had many poets that i was following, and they all seemed to appeal to me, but the one big difference that they didn't have was taking words, and changing it to a phrase, or taking a phrase and turning it into much, much more. In the Beginning, Inspirations of the Heart was set to be one book, that is all, and yet still, I have 20 more planned. Inspirations of the Heart is one of the things in the beginning, that I used to help to save my own life, why? Because I was not happy inside, but through it all, I have a new take on life, and by finding out, what the Holy Spirit was saying through me in the pages of these inspiration notes, I began to see something that I had not, at first, now, I can go out in the world with a new take on life, and apply life to it's fullest. Can Inspirations of the Heart have the same effect of you, the reader? That, however depends on you, the reader, It will never be said by me, that one of my books can change your life, I have never said this, and I never will.
