Lace and Blade

Norilana Books proudly presents the debut title of our new romantic fantasy imprint Leda...

Introducing LACE AND BLADE -- an original new anthology series of elegant romantic fantasy, edited by Deborah J. Ross, premiering on Valentine's Day 2008.

In the spirit of classic period swashbucklers, Zorro, the Scarlet Pimpernel, and D'Artagnan, brimming with romantic courtly intrigue and dangerous liaisons, with cloak and dagger and perfumed handkerchiefs, the language of the fan and stolen glances, with the manners of Jane Austen and the sparkling rapier wit of Oscar Wilde, here are nine fantastic stories of adventure, derring-do, love, and glamorous yet subtle magic, by such stellar authors as Tanith Lee, Catherine Asaro, Diana L. Paxson, Madeleine E. Robins, Robin Wayne Bailey, Dave Smeds, Mary Rosenblum, Chaz Brenchley, and Sherwood Smith.

Don't hesitate another moment... step into a sophisticated other world where passion is a courtly mistress, mystery is moonlight on steel, and magic is the god of love.

En garde, mon amour!

"LACE AND BLADE offers a banquet of adventure, intrigue and romance. There's something here to delight the palate of every reader's inner swashbuckler!"

-- Jacqueline Carey

"A fun ride from beginning to end, with engaging characters and an interesting setting."

-- S. M. Stirling

From reader reviews:

Jorge Hinkley:

Have you spare time for just a day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity to get spend your time. Any person spent their own spare time to take a move, shopping, or went to typically the Mall. How about open as well as read a book called Lace and Blade? Maybe it is to get best activity for you. You already know beside you can spend your time together with your favorite's book, you can cleverer than before. Do you agree with their opinion or you have different opinion?

Rebecca Dryden:

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated that for a while is reading. Yep, by reading a publication your ability to survive improve then having chance to stand up than other is high. For you who want to start reading any book, we give you this Lace and Blade book as beginning and daily reading guide. Why, because this book is usually more than just a book.

Deborah Walker:

Information is provisions for people to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is inside the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Lace and Blade as your daily resource information.

Helen Price:

As we know that book is very important thing to add our information for everything. By a e-book we can know everything we wish. A book is a group of written, printed, illustrated or even blank sheet. Every year had been exactly added. This book Lace and Blade was filled in relation to science. Spend your free time to add your knowledge about your technology competence. Some people has several feel when they reading a new book. If you know how big benefit of a book, you can feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you simply wanted.
