## MAKE YOUR DREAMS COME TRUE WITH THE SCIENCE OF OCCULTISM!

Occultism = Witchcraft?

Occultism, a science that after thousands of years of existence, has earned such a bad reputation. But, what does Occultism mean? Who named it after such term? Those are questions known only by few. If we go back in time, we will find our ancient relatives, and also the father of such science, the almighty Hermes Trismegistus, or should I rather call him by his original name? THOTH THE ATLANTEAN. That is right, the founder of Hermeticism, whom obtained this wisdom by the very 7 Archangels, which, so powerful was indeed, that turned mere mortals into true Gods themselves. Reason that perverted a whole civilization; and caused its demise. The Cause and Effect.

In these few paragraphs, I am about to teach you, how to make your dreams come true, using the powerful science of Hermeticism, with the help of Thought Forms and Pranayama (Breathing Exercises). I leave to your own criteria, the misuse you may give to this knowledge and your possible 'cataclysmic destruction' by higher beings who watch the destinies of every human on this planet. Let us begin!
