Men's Painful Secret - Winning The Battle For Purity Mr Albert Gentleman

This empowering book will help you be set free from constantly looking at pornography or porn addiction. Christian men today are in a battle for their sexual purity, as they step outside the boundaries of their relationships and marriages. With pornography so accessible and secret on the internet, many of the men in our churches are being pulled into what I call 'the pit of pornography', and they are having great difficulty being able to see their way out. The good news is that Men's Painful Secret - Winning the Battle for Purity provides the tools necessary to help men stop looking at pornography. This book carefully maps out a unique and successful plan of action for men who desire to live a life of sexual purity and be set free from hiding their painful secret. With lots of research and some personal experience this book leads the reader through thought-provoking questions, life changing exercises and the steps needed to overcome pornography. This book will be a good resource for pastors, Christian counsellors, High Schools, wives and Christian men and teenagers. Al Gentleman has been a Professional Life Coach and Mentor for over eight years. He resides in Australia and presents seminars and workshops throughout Australia and SE Asia.
