Reapers & Crows Mon Rea

To be with the woman he loves, one man will move heaven and hell...

When Nate Cuervo dies in a diving accident, he realizes he isn't ready to leave everything behind, including his soul mate Samantha. He falls into an underworld prison where the only way out is through a reaper named Sephtimus Rex. As head reaper, Sephtimus leads an army of Crows tasked with the cold deportation of overstaying spirits from the human realm.

But the fates smile on Nate because the eccentric Sephtimus has problems of his own. He has fallen in love with a mortal girl; an abhorrent sign of weakness that, if discovered by the Crows, will start a power struggle in hell. With Nate's help, Sephtimus must now attempt to confess his feelings to the girl of his dreams so he can go back to being devoid of human sentiment.

Nate is reincarnated as a banshee reaper and hatches an escape plan to the surface world. But he finds that things in the underworld are not what they seem and Sephtimus' problems run deeper, somehow even linked to Nate's own mysterious past.

Reapers and Crows offers a fresh view of a taboo. It shows a human side to Death and proves that love defies time. It's both a love story and a fantasy, with elements of human drama. It combines all the ingredients of an enduring story: noble love, loyal friendship, and hope against all logic.
