The Company of the Dead David Kowalski

Can one man save the Titanic?

March 1912. A mysterious man appears aboard the Titanic on its doomed voyage. His mission? To save the ship.

The result? A world where the United States never entered World War I, thus launching the secret history of the 20th Century.

April 2012. Joseph Kennedy - grand-nephew of John F. Kennedy - lives in an America occupied in the East by Greater Germany and on the West Coast by Imperial Japan. He is one of six people who can restore history to its rightful order -- even though it may mean his own death.

"A magnificent alternate history, set against the backdrop of one of the the greatest maritime disasters."
Library Journal

"Imaginative, monolithic, action-packed... The reader will not be disappointed." — *Bookseller and Publisher*

"Time travel, airships, the Titanic, Roswell ... Kowalski builds a decidedly original creature that blends military science fiction, conspiracy theory, alternate history, and even a dash of romance." *Publishers Weekly*

"Kowalski effortlessly smashes together high art and grand adventure in this alt-history juggernaut." John Birmingham, acclaimed author of *Weapons of Choice*

"Exciting action, twisty and ingenious characterisation, and complicated time-travel plotting, deftly handled." S.M. Stirling, NYT bestselling author of *The Tears of the Sun*

"A non-stop chase that takes place across two thousand miles ... and one hundred years of perdurant time."
Walter Jon Williams, NYT bestselling author of *Deep State*
