Police officer Loane Landry gives up professionally and emotionally when gunrunners kill her lover in an explosion. She blames herself and vows to seek answers and revenge—in or outside the law. Good guys never win, and bad guys never pay. But when the woman she loved returns very much alive and in desperate need of help, Loane must decide if she can endure the pain and memories of deceit in order to keep them both alive.

ATF confidential informant Abigail Mancuso is charged with gathering information on a gunrunning syndicate camouflaged as a gentlemen's entertainment business. Before arrests are made, something goes terribly wrong, and Abby is forced into a deep cover assignment for which she is unprepared. The only person she trusts is the woman she lied to about everything. How can she put Loane's life at risk by asking for her help?
