I Know Nothing but ...

Helen Eltzeroth

I Know Nothing but ... Helen Eltzeroth

If you like stories, this book is a place to start. The author sprinkles snippets of past times throughout the book and encourages readers to write their own stories as a way to understand how social values and practices are formed. Controversial and sensitive topics are included to encourage readers to think about their own social values and practices. The author includes a glimpse into her background and experiences to highlight the impact they have on her own social values. This is not a traditional nonfiction book, but nothing about the author is traditional. She reminds us in this book that all of us can be exceptional.
