Keeping Conures as Pets: A Pet Owner's Guide to Choosing, Housing, and Caring for a Pet Conure (Pet Owner's Guides Book 2) Jenny Griffin

This is a wonderful resource for anyone who owns a pet conure or who is considering adding a conure to the family. Learn more about the different types of conures popular as pets, and the characteristics of each, to help you choose the best species of conure suitable for your personality and lifestyle.

If you are a new conure owner or are considering conure ownership, this pet owner's guide offers information on basic conure care and diet, as well as advice on how to choose a suitable conure cage for your pet/s according to the size/species of conure and whether they will be spending much of their time inside or outside their cage.

Conures are adorable, and consequently conure owners are seldom satisfied with one ;) So, if you have a pair of conures (or a flock) and would like to build an outdoor aviary to give them more freedom, the guide also provides advice on things to consider when building an outdoor aviary to house your conures.

If you travel a lot and plan to take your pet with you on your travels, or just need to choose a transporter to get your bird to the vet and back safely, there is a chapter devoted to bird transporters and travel cages offering advice on how to transport your conure safely, including discussing and comparing various options available on the market.

Learn how to trim your conure's wings so that your pet will remain safe, yet still retain some mobility so that it will not suffer any injuries should it fly off your shoulder.
