Maggie's Wolves, Part One: A BBW Shifter Romance (Red Mountain Pack Book 1) Cara Morgan

Alone and trapped in a mountain cabin with a storm blowing in, the last thing Maggie Lewis expects to hear is a knock at the door. Her visitor is Eli Campbell, a wolf shifter just like her, and the first shifter she's met since her parents died on the same mountain over a dozen years ago.

With so few female shifters left, Eli never really expected to find a mate. He certainly didn't expect to find one hidden away in the wilderness and suffering through the early throes of a heat cycle she doesn't seem to understand.

Eli is more than willing to help ease Maggie through the fever, but first she has a choice to make. Letting the heat pass without taking a mate will render her wolf dormant forever. But mating with Eli means more than just claiming one wolf, it means accepting the rest of his pack as her mates too.

This is the first installment of MAGGIE'S WOLVES, a five part BBW shifter romance serial. For adult readers only.
