This complete, super-sexy series follows the characters from the first series, *Sleeping Dragons*, on a new set of adventures.

The dragons are eager to learn about the new world they've awoken to after five centuries of slumber, but there's one thing that drives the dragons above all else: their imperative to breed. Follow all the human and dragon couples you loved from the first series while they overcome the emotional and magical obstacles to achieving their greatest desires. Not all of them want the same things for the same reasons, but they will discover that they all have a common goal.

In the end they will all have to work together for the survival of the race. Will they succeed in ensuring a brighter future for the next generation?
