**Something for the Pain: Compassion and Burnout in the ER** Paul Austin

**“What makes this inspiring medical memoir stand out is the courageous measure of Austin’s humanity.”?Publishers Weekly**

In this eye-opening account of life in the ER, Paul Austin recalls how the daily grind of long, erratic shifts and endless hordes of patients with sad stories sent him down a path of bitterness and cynicism. Gritty, powerful, and ultimately redemptive, *Something for the Pain* is a revealing glimpse into the fragility of compassion and sanity in the industrial setting of today’s hospitals.
